

Sunscreen Information and Permission Form

Dear Families,

Please read carefully! We ask that families put on the first application of sunscreen in the morning before arriving at Blossom. With your permission, Blossom will apply the sunscreen you have provided to your children once a day after naptime or as needed after waterplay.

Please be sure to write your child's name on the bottle and cover the name with clear tape (the oils in the lotion wipe off even permanent marker). If you wish to waive the use of sunscreen on your child entirely, you may check the box on the Permission Slip.

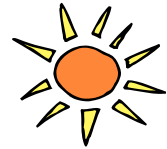

With warmer weather on the way, please remember the following:

- **Always apply sunscreen to your child before arriving at Blossom.** We assume all children have sunscreen applied and will only re-apply as needed throughout the day.
- Be sure at least one of your child's extra outfits is a warm weather option.
- **No open-toes sandals,** even with socks. Children may wear aqua socks, tennis shoes, or closed-toed sandals.
- We highly recommend children have a sun hat and/or other sun clothing available in their cubby (please label with your child's name).

Please fill out the below permission slip and return to Blossom's Main Office. If need be, there are extra copies in front of the main office in a folder.

Blossom Childcare and Learning Center Sunscreen Administration Permission Slip

Child's Name: _____

I give my permission for Blossom staff to apply my provided sunscreen. I have provided a bottle of _____ (Brand & SPF).

I do not want any sunscreen applied to my child while at Blossom.
